

## Quick Start Lead Generation

No Risk. Fast Results. Measured ROI.

### Lead Generation Benefits

- Maximize Lead Conversion
- Increase Qualified Leads
- Create and Extension of Your Team
- Rely on U.S. Based Team Agents

### Daily Sales Funnel

"We've been able to increase lead generation 3X and continually add sales staff while keeping them busy with the campaigns for 13 years...."

**-CEO, Dan Foudray, Christian Brothers**

### Highest Converting Leads

Our B2B appointment setters set appointments by first qualifying whether the contact is a realistic prospect for your product or solution.

### More Qualified Leads

We provide highly qualified leads because we understand your offering and your marketplace. We take the time to completely understand exactly with whom you need to speak.

# 7 Day Quick Start

### In Depth Research

Before placing a single call, we spend hours understanding your brand, your business model, and your message.

### Dedicated U.S. Staff

All of our agents are in the U.S. and not commissioned sales people so they are able to focus on the quality of your appointments - not just quantity.

# Guaranteed RESULTS

## Quick Start Checklist

Leverage a 100% success appointment setting process that works every time. We start by **working on your script**, then target appointment setting **prospects/customers**, and finally **key metrics to sales**, the funnel, and reporting.
